

## **MEDIA ADVISORY**

Date: May 9, 2008

Earlier today, officers of the Aventura Police Department arrested W/M Robert Bodek. Boca Raton Police Services Department/Palm Beach County Task Force detectives interviewed Bodek and believe he is the individual depicted in the video from the Aventura Mall, which was recorded on April 30<sup>th</sup>, 2008. However, Bodek was unwilling to confirm that he was at Nordstroms on the date and time in question. Task Force detectives are still investigating the circumstances surrounding this incident.

At this time, other than Bodek's general appearance, there is nothing to link him to the cases at the Town Center Mall.

The victim of the August 7<sup>th</sup> robbery was shown a photo line-up, which included Bodek's booking photograph from today. She indicated the suspect from her case was not included in the line-up.

People in the South Florida area are encouraged to remain aware of their surroundings and report any suspicious activity. We are asking anyone having information about this case or related cases to call our tips line at (561) 416-3331.
